## AUTHOR CATALOGUE

OF

# PRINTED BOOKS IN BENGALI LANGUAGE

VOLUME I

#### INTRODUCTION.

THIS is the first attempt to bring out a Catalogue of Bengali books contained in the Imperial Library. It includes entries for all such books and periodicals acquired up to the end of 1937, which number about 22,000 and the corresponding entries come to about 40,500.

Entries are arranged in one alphabetic order by the names of Authors in their transliterated form; but where the author's name is either not mentioned on the title page or could not be traced, the entry is made under the title of the book. In the case of a periodical, the entry is always made under its name. Translations go under the names of the original authors, but a reference is to be found from the translator's name. Thus, a book must appear either under the author's name or under its title, the only exception being the Classics and the Sacred books, e.g. the Rāmāyaṇa, the Mahābhārata, the Bhagavad Gītā, the Qur'ān and the Bible which are entered under those names. Similarly, the Brāhmiṇical, Buddhistic and Tāntric texts are entered under the name of the class to which they belong, while separate parts of those will form the sub-head after the name of the class. Examples are: Vedas—Rk. Veda; Jātaka—Hatthipāla Jātaka.

The titles which follow the names of Authors have been retained in their original form; but arranged according to the alphabetic order of the script of that language, where an author is responsible for more than one book; otherwise the arrangement by authors holds good. The titles are followed by their English transliteration and a concise exposition of the contents of the book, in square brackets.

The place and date of publication, if found in the book, are given in their original form, followed by the English form of the former, if different; and the corresponding date of Christian era, in square brackets.

Indian names have generally been given in full, but not in inverted form, e.g. Cārucandra Dāśagupta. In cases where the full name could not be known, the inverted form has been used; for instance, Caṭṭopādhyāya, B. N. For the sake of uniformity, the Hunterian method of transliteration has been adopted and with a view to facilitate reference, it is reproduced below. Cross references have been used from the names of translators, editors, commentators, etc.,

but without the call-numbers of those works; but, these have been repeated in case of a reference to a work included in some other work, which as such does not bear a separate call-number.

As Oriental works are better known by their titles than by the names of their authors, it is intended to bring out a supplementary volume to this catalogue which will contain the titles only.

It will not be out of place to add here a word of appreciation for the labour put in by Babu Nanda Lal Dutt, formerly in charge of the Oriental Section, who is responsible for the compilation of this catalogue. It is due to his labour, extending over a number of years that has made it practicable to place this catalogue in the hands of those interested in Bengali language and literature.

IMPERIAL LIBRARY,
Dated the 15th August, 1941.

K. M. ASADULLAH, Librarian.

#### RULES FOR THE ISSUE OF BOOKS ON LOAN.

The lending out of books shall be regulated by the following rules, supplemented by such bye-laws as may be in force at any time:—

1. Books will be lent free of any fee or subscription to members of the public residing in any part of India on their depositing as security a sum of money enough to cover the value of books lent. The Librarian is empowered to waive this condition in such cases as he thinks fit. Regular borrowers may deposit a lump sum as security, to avoid the necessity of changing the amount of security, with every transaction. The deposit money must always be paid in advance.

Note.—In calculating the price of foreign publications, a shilling will be taken as equivalent to a rupee.

- 2. The minimum amount acceptable as security is Rs. 5.
- 3. The refund of security money shall be governed by Rules specially framed for the purpose.
- 4. Books required by Government departments for departmental use, will be issued without any deposit; but such loan shall generally be regulated by all other conditions set down in these rules.
- 5. Recognised institutions may at the discretion of the Librarian borrow books on executing a security bond, instead of making a cash deposit.
- 6. Any proprietor of the former Calcutta Public Library shall be entitled, when resident in Calcutta, to take out books from among those transferred from that Library to the Imperial Library, subject to the restriction that he shall not have in his possession at any time more than six works or twelve volumes.
- 7. No book that for the time being forms part of the Reference Collection in the Reading Room, or any book valuable for its rarity or its illustrations, shall be lent out without the special permission of the Librarian, who in cases of doubt shall refer the question for the orders of the Council.
- 8. Unbound periodicals and journals as well as books which cannot bear the strain of transit will not be lent out.
- 9. Except with the special permission of the Librarian no book shall be issued on loan until three months after it has been acquired.
- 10. Except with the special permission of the Librarian no person shall have in his possession at any time more than two works or six volumes.
- 11. Books lent may be kept for a period of one month, which period may be extended at the Librarian's discretion; provided a written request to that effect is made by the borrower. Books lent are liable to recall, if required, before the expiry of this period.
- 12. The cost of the carriage of books from and to Calcutta shall be borne by the borrower. Books will be forwarded per V. P. P. for postage, and no money or postage stamps will be accepted to cover the forwarding charges.
- 13. A book lost or damaged in any way by a borrower shall have to be paid for by him.
- 14. A fine of one anna, per day, per volume will be charged, if books are not returned within the prescribed period. A borrower shall not be allowed to borrow books again unless he has paid the fine imposed upon him.

- 15. Fiction works shall neither be lent out of the library, nor supplied in the Reading Room, except to bonâ fide Research Workers, and that with the permission of the Librarian, or the Superintendent, Reading Rooms, respectively.
  - 16. The term "bond fide research workers" includes :-
    - Any person who is admitted to the Private Reading Room of the Imperial Library;
    - 2. Any well-known research worker, writer or author;
    - 3. Any person, recommended by a person included in sub-clause (2);
    - 4. Any person who submits an application signed by the Vice-Chancellor of a recognised University, or by the Principal of a College, or by the Secretary of a Learned Society or by any other person of equivalent standing in the academic world; and
    - 5. Any person who satisfies the Librarian by producing his research work.

### RULES GOVERNING THE REFUND OF BORROWER'S DEPOSIT MONEY.

- 1. If books borrowed from the library by a borrower are not returned after due notice, a sum equal to the value of the books in question shall be deducted from the amount deposited by him.
- 2. The amount deducted from a borrower's deposit money, referred to in Rule 1 above, shall ordinarily be utilised in replacing the lost book unless it was decided not to do so; in view of the fact that the book was either not available in the market, or a duplicate copy was already in the possession of the library. In the latter case the amount recovered from the borrower of the book shall be credited to the Government treasury as a departmental receipt.
- 3. In case the balance, if any, is left after making the deduction, referred to in Rule 1, is not claimed within two years from the date on which books were lent out, the whole amount of the balance shall be regarded as forfeited by the borrower; provided that such forfeiture shall not take effect without notice, three months before the expiry of the said period. The balance or the amount unclaimed under this rule shall remain in the deposit account of the Library.
- 4. No claim to money deposited by a borrower will be recognised unless the receipt for the deposited amount is produced duly receipted on its back, and that over a one anna Revenue stamp if the money exceeds Rupees Twenty.
- 5. Cases where a deposit receipt is alleged to have been lost shall be covered by items 4 and 5 of the bye-laws.
